## Skin **BTS**

More Than Hair Removal

# Why Choose Alpha9 ?

## ADVANTAGES

### 3 MODES

#### HR+SHR+SHR STACK

Used for hair removal and skin BTS (Brightening; Tightening; Slimming)

- Instant Contour Lift
- Cool Comfort
- Minimal Downtime
- Enhanced Safety
- Results Last 3-6 Months

### AI Skin Analysis

Intelligent Parameter Recommendation

**Animated Precision**  
±20% Energy Accuracy

**From beginner to expert**  
progress in every movement
